

Mission Road Ministries is a non-profit organization located in San Antonio, Texas, serving more than 500 children and adults with mental retardation and other developmental disabilities each day with residential, day services and vocational programs. Mission Road receives support from the United Way of San Antonio and Bexar County, governmental funding and private donations from foundations and individuals.

Founded in 1947, MRM is one of two non-profit organizations in Texas caring for children with mental retardation who have been removed from their family by Child Protective Services because of neglect and abuse.

Mission Statement: Mission Road Ministries, a family of agencies, is a community-based, church sponsored organization with a Call from God to minister to persons with mental retardation and other developmental disabilities by challenging them to achieve their full potential for independence, productivity and inclusion in the community.
