## SIZZLIN' AT SIXTY

Mission Road Development recognized the tradition of 60 years in caring for children and adults with mental retardation in the San Antonio community. The 28th Annual Grand Western Shindig led by chairs Maggie and Gordon Hartman was up to the challenge of setting the bar high and roundin' up the best committee and auction items. A trip to the Master's, jewels for a special buckaroo, and a grape escape to Napa were just a few bronc-busting items to entice all cowboys and cowgirls. Yee-haw, this shindig was sizzlin'.
